CREDIT FOR WORK

Applications accepted until March 1, 2021.

The program is designed to allow students to earn graduation credit for real-world experience by working at a part-time job. This is a pass/fail course offering students in grades 11 & 12 working at an after school job, with an opportunity to earn additional .5 credit for every 70 hours worked. That is not to exceed a total of 2 credits or 280 hours during their high school experience. Enrollment in this course requires the submission of a completed Credit for Work Experience application:

- Students will not receive credit for hours worked prior to application approval.
- Email Julie Warlick for an application.

Virtual Recruiting Plan

WHAT

New Horizons will be taking a different approach to Recruiting. We want to have continuity across all divisions and recruit to the English classes. Our goal is to have equitable access and awareness of all our programs to better prepare students for their future.

WHY

We want to include the English teachers because every 9-11th grader must take English. The teachers can show the virtual student presentation in their classrooms. We provide an assignment/ lesson plan that they can use that already ties into their VDOE curriculum. We understand that the teachers are a huge asset and having their buy-in is vital.

HOW

- **Tuesday, Dec. 1st, 2020 (3-4 pm)** -We will be showcasing the new improvements to the website, application system, teacher lesson plan options and explaining the 'NHREC Recruitment Week' to all counselors & English teachers across all 6 divisions.- [Click here to join presentation](#)
- **New Horizons CTE Recruitment Week- (December 7th-11th)**
Administer New Horizons recruitment material to students in all 6 divisions
