

The Olympus High School Community Council invites you to a

GRADE RECONFIGURATION Q&A MEETING

TUESDAY, MAY 21
7 P.M.

OLYMPUS
HIGH SCHOOL
(4055 S. 2300 East)

This meeting is open to all Olympus Network families

This meeting will provide information about grade reconfiguration (moving 9th grade to the high school and 6th grade to the junior highs), why other networks have chosen to proceed with reconfiguration, and the known pros/cons.

No formal decisions have been made regarding grade reconfiguration. We want parents to be able to ask questions and learn about the process so everyone has the opportunity to be informed and make educated decisions. We hope to see you there!

GRADE RECONFIGURATION PROCESS
