

6TH GRADE NEWSLETTER

This week in class...

Math - Ms Whitacre & Ms. Keim

taylor.whitacre@communityisd.org; elaine.keim@communityisd.org

Science - Mrs. Embry & Coach Tillery

amy.embry@communityisd.org; stacy.tillery@communityisd.org

6th Grade Science will begin one of our Chemistry units this week. Our 6th graders will be learning all about the Periodic Table of Elements, molecules, compounds, and mixtures.

Social Studies - Coach Goforth, & Mr. Schmitz

sean.goforth@communityisd.org michael.schmitz@communityisd.org

ELAR - Mrs. Falcone & Ms. Hutchison

lauren.falcone@communityisd.org; laura.hutchison@communityisd.org

Sixth-grade reading is beginning Persuasion Unit this week, and students will begin reading and researching to gather information and evidence to host a debate. We will be discovering different ways to argue and how to appeal to different areas. The school spelling bee is Friday, so be sure to be studying!
