SAVE THE RFH CLOCK TOWER

HELP US TO SAVE THIS TOWN MONUMENT!

Did you know that the RFH Clock tower has not kept time in decades? Now is the time to change that and you can help.

The RFH PTO is launching a fundraising campaign to restore the clock tower. With your donations, new clock drive movements and back up for power failures will be installed. New lighting and controls will also be installed to automate the lights.

We appreciate any amount of donation you would like to give. For those interested, sponsorship levels are available to a limited number of donors. To learn more, please visit our website via the link. The QR code will direct you to the donation site.

ARE YOU PART OF THE CLOCK TOWER HISTORY?

The clocktower and its entrance is one of those places every Freshman wants to find! Did you know that students and faculty used to sneak up in the tower landing and write their names on the walls!! Principal Sarles told us that there are names that date back to the 30's- how incredible!

Although sneaking up to the landing is now disallowed, a limited number of individuals now have a once in a lifetime chance to "sneak" up to the landing and sign your name. If you are one of the first 5 people to donate \$5,000 or more you can go up with 1 guest and write your name on the wall!

HELP SUPPORT THE RFH PTO TO CHANGE TIME!
