Science: Brent Knudtson bknudtson@lpsfrisco.com

I wanted to take a moment to update you about all the exciting things happening in our science classes. Over the past two weeks, we have focused on building strong relationships within our classroom community as well as practicing the seventh habit. The seventh habit, "Sharpening the Saw" encapsulates the importance of self-renewal, and it functions as a catalyst for maintaining and enhancing the other six habits within my science classroom.

Electives

PE: Shane Sharkey ssharkey@LPSFrisco.com
& Alex Percival apercival@LPSFrisco.com

Over the next two weeks in PE, we will continue to develop our volleyball skills and honing strategy as we begin to play full games! We will also be working on fitness and displaying good sportsmanship during team sports.

Teen Leadership: Reanna Leblanc rleblanc@LPSFrisco.com

Students will learn the first two modules in Leader in Me, which discuss the eight habits. Students will learn the importance of a positive classroom culture that embodies the seven habits.
