Message from Your Local School Board Member

Dear Community Council Leaders, PTA Leaders, Principals, and other community/municipal leaders:

As hopefully many of you are already aware, Superintendent Martin Bates recently announced his retirement from the Granite School District, effective July 1, 2021. The Board of Education has already begun preliminary efforts to conduct its search for and ultimately hire his replacement. As part of that effort, and as your representative on the Board of Education (and in particular for the Cottonwood High Network of schools), I am seeking input from all members of our community (patrons, teachers, principals, staff, municipal leaders) regarding desired qualifications and characteristics for our new superintendent.

To that end, I have scheduled two “town hall” community Zoom meetings in hopes of obtaining feedback from our network community as follows:

Thursday, January 21, 2021, 7:00-8:00 PM

Monday, January 25, 2021, 5:00-6:00 PM

<https://graniteschools-org.zoom.us/j/9867057768>

(zoom link is the same for both meetings)

Individuals may also contact me directly via this email or phone to communicate their input.

The short notice of these town hall meetings is necessitated due to the Board immediately beginning its search for a new superintendent.

Kind regards,

Clarke Nelson

Thanks again for making Bonneville such a great place to be.
