March 1<sup>st</sup>, 2019

1000 Secluded Lane

Dear Parents,

Spring Break is right around the corner, which means students will be away from school and spending time with family and friends. To keep students engaged and inspired to learn, try integrating a few of the following activities into their weekly routine:

- **Stock up on free books from the local library** Travel and free time at home provide the perfect opportunity to snuggle under a blanket and discover a new friend in a book. Help your children pick out books from the library that are of interest to them and set aside time to read together. For families on the go, e-books are a perfect way to travel light and share a good story.
- **Visit local attractions** Search out local museums, parks, or historical points of interest. Have your children videotape, illustrate, or write what they see. Pick up brochures and have them make a collage or develop a visual booklet of their day trip.
- **Keep a journal** Stock up on notebooks, paper, markers, and gel pens, and encourage your child to keep a daily journal. Even little ones can draw a picture about their spring break activities.
- **Reading sleepover** Invite friends over for a "readover". Ask friends to bring a book and share stories throughout the night. Make themed snacks to go with the books.
- **Scavenger Hunt** Develop a scavenger hunt based on a book theme. Go to the dollar store and buy items related to the theme of the book. Develop clues and hide them around the house or yard and have your children search for the items/clues.

Enjoy your upcoming spring break and quality time spent with your children.

Dr. Garrett

Jeremy Qualls - District Athletic Director**

Dear Parents of Rising 6<sup>th</sup> Grade Student-Athletes,

The Williamson County Schools Athletic Department has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students as well as receive timely, streamlined communication from coaches. This system is for all WMAA sanctioned sports within WCS.

For your student to be eligible to participate in athletics in WCS you must complete the online portal. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students and to future siblings, saving you time. (You will only need to review your information once per school year to verify information is current and sign the forms.)

Click on the Parent Playbook (attached) for more information on how to use FinalForms. If you require any support during the process, scroll to the page bottom and click "Use Support".

**We are asking that ALL parents of athletes use FinalForms to electronically complete ATHLETIC paperwork! Expect a confirmation email from FinalForms giving you access to your student.**

**If your student is NOT an athlete, no action necessary. Please disregard this email.**

Thank you for your assistance in streamlining our paperwork processes at Williamson County Schools.

# ENCORE 2019

## Summer Enrichment Camp • Heritage Elementary June 17-21, 2019

Come and be a part of the fun this summer at Heritage Elementary! ENCORE offers opportunities for children who have completed kindergarten through 5<sup>th</sup> grade (by the end of the 2018-2019 school year) to attend a week-long camp designed to provide exploratory learning experiences based upon individual interests. We hope to ignite and foster a love of learning through challenging, creative, and interactive educational classes.

- Camp runs Monday-Friday, 8:30 am to 3:00 pm
- The cost of the camp is \$165 (\$40 non-refundable registration fee plus \$125 tuition)
- Students attend 5 classes daily; classes are 45 minutes and are designed for approximately 12 students
- Students will need to bring a sack lunch with a drink each day (no soda, please) except for Friday (pizza will be provided). If your child doesn't want pizza, they may bring a lunch.
- All students who enroll will receive an ENCORE t-shirt

### Enrollment Information

- Enrollment Option 1:
  - Enrollment will begin during our ENCORE Registration Day on Saturday, March 2<sup>nd</sup> from 9:00-10:00 am in the HES cafeteria. Bring all completed registration paperwork and \$40 non-refundable registration fee.
  - Students who pay the full amount of \$165 on March 2<sup>nd</sup> (\$40 non-refundable registration fee plus \$125 tuition) will receive first choice in classes.
- Enrollment Option 2:
  - Unable to make it to Registration Day? All enrollment forms and registration/tuition fees should be placed in an envelope labeled "Encore! Attn: Sara Gildemeister" and dropped off at the Heritage Elementary School office, sent to your child's teacher, or mailed to:  
Heritage Elementary School  
Attn: Encore! Sara Gildemeister  
4801 Columbia Pike  
Thompson's Station, TN 37179
- Class enrollment is on a first-come, first-served basis. Every effort will be made to place students in their favorite classes.
- Please make checks payable to HES
- Online payment is available at <http://osp.osmsinc.com/williamsonTN>
- Enrollment is due by Monday, April 1<sup>st</sup> with a non-refundable registration fee of \$40.
- Final balances are due by Wednesday, May 1<sup>st</sup>. No tuition refunds will be issued after May 20, 2019.
- Camp schedules, dismissal placards, and important camp information will be sent home with students prior to the last week of school.
- Questions? Please contact Sara Gildemeister at [sarag@wcs.edu](mailto:sarag@wcs.edu)

# HES ENCORE 2019 CLASS DESCRIPTIONS

## All New Games, Games, Games

If you like Nukem, 9 Square in the Air, Beach Games, Pasagi, and Ultimate, then this is the class for you! All we have is fun and when we are done having fun, we will have even more fun!

## All Star Sports

If you love sports and want to play like an All Star, this is the class for you! Soccer, Basketball, Flag Football, Volleyball, and Hockey all in one exciting class that you will never forget!

## All Things Unicorn

All things Unicorn: Come make unicorn crafts, play unicorn games, and eat unicorn-themed snacks. It will be a week full of magical unicorn fun!

## Art-a-Palooza

In Art-a-Palooza, we will create a different art project each day such as pulled string art, a bird mobile, painted rocks, abstract art pieces, and zentangle-like artworks. Tons of fun and creativity packed into 5 days!!

## BREAKOUT 2019: An "Escape Room" Challenge

You will be thinking critically, problem solving, troubleshooting, and working collaboratively to solve clues hidden within the classroom. When you solve each clue, you'll open the locked box to get the next clue—when you have solved all the clues, you "BREAKOUT" of the final locked box and celebrate your success. You will have so much fun you won't even realize how much you are using your brain!

## Bringing the Outdoors In

This will be a fun class for you to enjoy outdoor activities while bringing some of the outdoors in—especially if you love hiking, camping activities, and enjoying nature. We will go on a hiking scavenger hunt, make S'mores, do a catch and release with tadpoles, have a tent relay, and make a craft. This class is full of adventure outdoors and in!

## Card Sharks

Card Games have been around and popular for some time now. They can be challenging and fun! If you like to play cards or want to learn some new card games, this is the class for you. We will play several different games throughout the week such as Phase 10, Old Maid, Spit (not literally!), War, Spoons, and more!

## Cheer and Dance

Cheerleaders will learn cheers, chants, a dance, jumps, and basic tumbling all with a focus on building enthusiastic leaders who work with the group to get the job done.

## Chocolate Extravaganza (allergy alert)

Who doesn't love chocolate? We will spend the week creating fun and exciting chocolate snacks. We will put our creative hats on, brush up on our cooking skills, and make some magical treats! The history of chocolate is so neat to figure out! Do you know where chocolate comes from? You will learn about the history of chocolate and get to make yummy treats.

## Color Me Happy

Color Me Happy! Do you love to color? Me too, so join me this summer to color some really fun prints. Use markers, crayons, or colored pencils to make the printed design yours. Many fun projects such as kaleidocycles, making your own bookmark, coloring mandalas, and learning more ways to create your own designs. Come join me at ENCORE this year to color the days away.

## Color Wax Blast!

Do you like crayons? What if you got to melt them? Find out things that you can do with crayons BESIDES just simple coloring! Yes, we'll get to melt a few and make some AMAZING art!

### **Crafts and Creations**

Come get crafty with us this week! We will be melting beads to make earrings, experimenting with tie-dye techniques, creating a one-of-a-kind beaded wind chime, spending a day in the 80's making glitter tube bracelets, and making some luscious bath bombs. You are sure to have a blast!

### **Crazy for Candy (allergy alert)**

Are you crazy for candy? Do you love Reece's Cups, Tootsie Rolls, and Candy Sushi? Learn how to make a variety of delicious candies that you can recreate at home!

### **Disney Craft**

Do you love all things Disney? Join us to make fun, Disney-themed crafts! Make a stuffed felt keychain, a cute Mickey silhouette necklace, explore paper quilling with a character-themed wall hanging, and more!

### **Girls Just Wanna Have Fun**

Calling girls of all ages! Do you enjoy being with other girls? Do you like to have fun? Then this class is for you! The week starts out with a game day. You will experience the pampering of a spa day. There will also be a cooking day and a jewelry making day. We will end the week with a slumber party day!

### **Gross Science**

Call it the "Eeeew! Factor," but nothing is more exciting than down and dirty, hands-on, GROSS science! We will perform all kinds of icky, creepy, and just plain GROSS experiments and projects.

### **Harry Potter**

Come enjoy camp Harry Potter style! Step into Hogwarts castle and be a part of either Gryffindor, Slytherin, Ravenclaw, or a Hufflepuff team. Games, snacks, crafts, and more!

### **Just Dancel**

Just Dance will be a fun and interactive class where students will be able to get up and move. They will learn about how dance can be a great physical activity to get their heart rate up. We will monitor our heart rates and learn some warm up and cool down exercises. We will also talk about how dance can be a way to help us relax and have fun.

### **Kids in the Kitchen (allergy alert)**

Come be a chef! We will work together to create simple and delicious foods that can be made in any kitchen by kids of all ages!

### **Let's Build with Legos**

Calling all Lego builders! If you're ready to build cool structures, design a boat that will float, face daily challenges, and have fun while learning, then this is the class for you! We will focus on challenges that incorporate your creativity and imagination while learning about the principles of science, math, and teamwork! LEGO stands for Letting Everyone Get Original and that is just what we will do in this class, so sign up today!

### **Magic the Gathering**

Come learn tricks that you can perform on your friends. We will learn sleight of hand, card tricks, and cups and balls. On Friday, we will perform a mini magic show.

### **Me and My American Girl**

Bring you and your doll for a fun-filled week of American Girl. Students will do crafts, read books, play games, and have a hair salon day for them and their dolls. They will end the week with an American Girl tea party.

### **Minecraft Mania**

In this class, you'll enjoy making your favorite Minecraft characters out of Perler beads and boxes. We'll also play games like Bingo, trivia, Legos, and word searches all involving Minecraft elements, while munching on some themed snacks!

### **Minute to Win It Mania**

Ever wondered what marshmallows, ping pong balls, and straws have in common? They're all ordinary items that could make you the next Minute to Win It champion. Compete in fun, fast-paced, and challenging games. You need to be clever, quick, and creative to win. Think you can do it? Sign up to see if you can be the next Minute to Win It champion.

### **Op Art: Creating Illusion with Lines**

Op Art startles the eye into thinking the 2-D art work has movement. Whether you already love art or would like to try your hand at something new, you will become an Op Artist during this fun optical illusion art class!

### **Out of This World**

Let's blast off into space and explore the solar system! We will be making lava lamps, glow in the dark bouncy balls, moon sand, moon rocks, and planet sun catchers! It's sure to be a week that is out of this world!

### **Painting**

If you love painting, then this class is for you! We are going to make five different pieces of art this week! We will also listen to fun music while we work! Get ready to put your art shirt on and get your hands dirty making BEAUTIFUL art!

### **Pokémon**

Become a Pokémon dueling master! In this experience you will create your own Pokémon character, card, and an amazing story that is only limited by your own imagination. You will also be able to duel other players with your own personal cards.

### **Read It, Make It, Eat It.**

Want to expand your literacy experience through fun activities for your taste buds?! Students will experience a unique instructional opportunity by reading books where food plays a central role with a hands-on cooking activity. This class is for you! Are you ready to Read It, Make It, Eat It?

### **Science Experiment Extravaganza**

Does your child love science experiments? Making things to play with? If you answered yes, then this is the class for them! In this class, we will do various science experiments and even make some things to take home to play with! Come join us as we experiment!

### **Shark Week**

Do you love Baby Sharks, Mama Sharks, Daddy Sharks, and Grandma and Grandpa Sharks? If so, come and have a blast making your own shark slime, creating your own shark hand puppet you can use to sing Baby Shark, eating shark teeth snacks, and lots more during Shark Week!

### **Sharpie Art**

If you enjoy working with Sharpie pens and creating art, this is the class for you! We will create different projects throughout the week using a rainbow of colorful Sharpies. Some of the things we will work on are mini canvas creations, message stones, and light switch plates.

### **Slime Factory 2.0**

This class is ideal for the scientist who likes to make a mess and mix potions while making several varieties of slime. Activities include Avalanche Slime, Spider Web Slime, Egg Slime, Magnetic Slime, and if that doesn't make your child jump up and down while giving you anxiety, we will include Erupting Slime! You are very welcome!

### **Summer STEM Sensation!**

Do you like being creative? Can you think outside the box? Do you like to make things with your hands? This class is for you! We will build, shape, and create items to go along with a great book or science topic! Come join in the fun! Get messy, get creative, and have a blast!

### **Totally Tie Dye!**

Totally Tie Dye! is an exciting opportunity for students who love color, creativity, and fun! We will learn interesting tie dye techniques, experiment on different fabrics and materials, and create funky works of art! Sign up for everything totally tie dye!

### **Trash to Treasure**

Are you interested in helping make the Earth a better place? Well, this class is for you! Each day we will reuse/recycle ordinary items that you normally would throw away and turn them into fun crafts. We will also learn the importance of recycling. Join this class for a fun learning experience!

### **Water Wars**

Beat the heat this summer with Water Wars! Help your team win the championship of ultimate Water Wars. Bring your best skills and great team spirit to compete in water relays, races, and obstacle courses. A cumulative score will be kept for the week, and games will change, so don't miss a single day of Water Wars! Bring a towel and complete change of clothes each day. Shoes must be worn. Apply sunscreen at home. We will play in the rain, but in the event of thunder or lightning, we will have a movie trivia contest and popcorn. Are you ready to slip and slide into a great week of Water Wars?

### **WILD About Cupcakes (allergy alert)**

This class is an introduction to cupcake decorating! We will read recipes, measure ingredients, explore fun cookbooks and decorating videos, and make wild animal cupcakes by using a variety of decorating techniques.

### **World of Coding**

What do Star Wars, Angry Birds, Minecraft, Legos, Frozen, and problem solving all have in common? CODING! Welcome to the World of Coding where you will learn how to use computers to run and create different programs and games involving some of your favorite characters.

### **You Made Me Ink: Exploring the Art of Calligraphy**

Do you love to make art? Do you enjoy writing? If you answered "yes" to either, then You Made Me Ink would be a great class for you. We will spend the week exploring calligraphy, an ancient art form that means "beautiful writing." Calligraphy can be made with all kinds of tools and in many different ways, so you will be able to find success whether or not you're a complete beginner or experienced at calligraphy. Older students will even experiment with pointed pen/dip pen calligraphy and discover some surprising things that can be made with a few calligraphy flourishes! You Made Me Ink will teach you basic calligraphy techniques and include a variety of project options based on your interests. It's literacy! It's art! It's possibly messy! It's You Made Me Ink!

# WILLIAMSON COUNTY SCHOOLS EARLY CHILDHOOD PROGRAMS

2019-2020 School Year

Dear Williamson County School Families,

Below you will find information about the Early Childhood program in Williamson County Schools. Please read all information on both pages carefully before completing and returning an application.

The public school systems serve children with identified disabilities beginning on their third birthday. Williamson County Schools believes that children with special needs as well as children with typical development are best encouraged to grow when included in the same Early Childhood classroom setting together. Our Early Childhood program integrates students with disabilities and typically developing peer models. This program focuses on pre-academic, motor (gross & fine), language, social, & adaptive skills within the context of a preschool curriculum. The early childhood classroom setting encourages all children through the use of play, movement, music and other developmentally appropriate activities to teach foundational skills.

Early Childhood (EC) classrooms are located at a variety of settings across Williamson County, and the program site children attend is based on their school zone. EC sites do sometimes change between years based on the needs and makeup of the county. EC classes meet on Monday, Tuesday, Thursday and Friday, and follow a modified Williamson County Schools schedule. Children do not attend class on Wednesday. The EC classrooms have 2 sessions each day, an AM session from 8:50-11:50 and a PM session from 12:50-3:50. You will be able to indicate your preference on the application.

We are now accepting applications for typically developing peer models in our Early Childhood Programs for the 2019-2020 school year. This is an opportunity for your 3, 4, or 5 year old to become a typical peer in a preschool classroom. As some of our peers return each year, we may have limited openings in some classrooms. Our enrollment of peer models is designed to match/complement our enrollment of children with disabilities and is therefore based on a variety of factors such as gender and age. Please note that, to be eligible for Williamson County's Early Childhood Program, you must reside in the Williamson County School zone, and be able to transport your child to/from school as EC peers are not eligible for WCS bus services. If you live in the Franklin Special School District or Maury County, your child is NOT eligible for the Williamson County Schools Early Childhood program. There is no charge for the Early Childhood program.

\*\*\*Please note that our Early Childhood classrooms are different from our Williamson County Pre-K programs. You can find more information about the Pre-K programs that are offered in our county along with their application process on the Williamson County Schools website: <http://www.wcs.edu/schools/pre-kindergarten/>

If you are interested in an Early Childhood placement for the 2019-2020 school year, please fill out this application and return it by mail to the address below or by email. For the following feeder schools, please send your application to Jamie Dufty at Longview Elementary School. (Address is below).

LVES EC Feeder Schools: Allendale, Bethesda, Chapman's Retreat, Heritage, Longview, and Thompson Station.

Longview Elementary School  
2929 Commonwealth Drive  
Spring Hill, TN 37174  
ATTN: Jamie Dufty, Early Childhood Program  
Email: [jamie.dufty@wcs.edu](mailto:jamie.dufty@wcs.edu)

Thank you so much for your interest and ongoing dedication to your child's learning experiences.

**Please complete both pages of the application.**

In order to be considered for placement for the 19-20 school year, **PLEASE RETURN APPLICATIONS no later than Tuesday, March 8th, 2019**.
