

## *Host a Foreign Exchange Student ... and create memories that will last a lifetime*

Are you interested in hosting an international exchange student in your home this coming Spring?

The Rotary Club of Johns Creek is sponsoring an exchange student from Italy. She is attending Johns Creek High School. Like all our exchanges, she lives with 3 families during the academic year to broaden understanding of our culture. You will host her from February to mid May 2025 after which she will return home.

### **What Can You Expect?**

- She will be involved with your family, with new friends, and active in our Rotary meetings and service projects.
- You will have extensive support from our Rotary Club and Rotarians in our community.
- All Rotary exchange students are thoroughly screened prior to acceptance. Our student is smart, engaged and excited to share her country's unique cultures, traditions, and language.
- We promise you the experience will enrich your entire family. Most of all you will build special friendship and connections that last a lifetime.

*Rotary has successfully been hosting international students since 1929  
Rotarians coordinate almost 10,000 exchanges annually!!*
