**New Students:**

New students to JEFCOED K-5th grade can go online to register students. You must register for the school in the area which you are zoned. Due to the change of zoning lines last year, you can contact the school or the JEFCOED website to verify which school your student is zoned for.

**For Kindergarten Registration:**

We planned to evaluate all Kindergarten students so we ask that you bring them with you once you come to register. Registration will be online. All new students to K-5th grade will be required to complete the online registration and you will need to upload your proof of residence and utility bills.

We will have registration at McCalla Elementary on:
