

Dear **North Families,**

Care and Share Food Bank is a nonprofit near and dear to our hearts. Last year, they provided more than 20 million pounds of food to children, families, and seniors across Southern Colorado. This year, they need our support more than ever before. It is projected that 1 in 6 Southern Colorado children does not have consistent access to food. We need your help to raise food and fund donations from **November 1st** to **November 18th, 2022** for Care and Share Food Bank's largest food drive of the year: Harvest of Love.

To make a food donation, bring non-expired canned food donations to **North Middle School Discovery classes**. Most needed items include: canned meat, canned vegetables, canned fruit, peanut butter, and cereal. Monetary donations also go a long way. For every dollar that Care and Share receives, they are able to acquire 6 meals for our neighbors struggling with hunger. To make a monetary donation, have your student give it to their Discovery teacher.

A mom of three kids, who is able to get food from their local food pantry, recently told Share and Care this:

"Having a place where I can get food to help with our meals ... it means so much to me. It helps me with my budget, and I don't have to stress about whether I or my kids or going to have to go without food. I even have leftovers that I can freeze and save for meals the next day!" – Lisa

Your donation to Harvest of Love can make a lasting impact in the lives of so many. Thank you so much for your support of Care and Share and making a difference!
