SOUTHSIDE FAMILY RESOURCE CENTER NEEDS ASSESSMENT FAMILY SURVEY

Please take a few moments of your time to complete this [survey](#). The information is used by the Southside Family Resource Center to determine how we may be able to better serve our students and their family. The Southside Family Resource Center provides programs and services for all Southside Elementary students and families. This is made possible through funding from the Cabinet for Health and Family Services. To obtain this funding, the center is required to conduct a Needs Assessment Survey to determine programs and how funds will be spent.

SOUTHSIDE SINGERS

Southside Singers is an after school music ensemble at Southside Elementary School open to grades 2-5. The ensemble will meet on Thursdays from dismissal until 4:00pm. Weekly transportation is required for participation. Rehearsals begin Thursday September 21, 2023. In the event that school is cancelled that day due to weather, there will be no Southside Singers until we are back in the building. Please click this link to sign up:

SQUAD NEWS

At Southside, we live by three words: Smart, Strong, and Selfless. Every student and staff member is a part of either Smart, Strong, or Selfless squad. On Monday, September 25th, we will have our first squad meeting. This will be a chance for your students to build a community with their peers at Southside. If your student has their previous squad shirt please wear them on Monday. If your student is new to Southside they will get their squad shirt soon.

P-EBT Applications Open 8/7 for Most Eligible Students

**Public and private school students can apply Aug. 7;
Homeschool and virtual students can apply Sept. 4**

P-EBT provides a reimbursement to households with students that attended school in-person, virtually or through homeschool and had any COVID-19 related school absences between Sept. 1, 2022, and May 11, 2023. This reimbursement is meant to cover the cost of at-home food purchases made because the student was unable to participate in school learning due to a COVID-19 related reason.

The benefit amount varies for each approved student due to the number of days missed. The daily amount for each school day missed is \$8.18.

The application will roll out in phases. The first application phase begins Aug. 7: Beginning Aug. 7, public and private school students who received free or reduced price meals at school AND were absent from school one or more days due to COVID, may apply for P-EBT for the days missed. The applicant will need the student's State Student Identification Number (SSID), dates of school days missed for COVID-related reasons for Sept 1, 2022, through May 11, 2023, and other personal identifying information for the student.

Beginning Sept. 4, homeschool students and students who attended school virtually may apply for benefits. The applicant will need the student's personal identifying information and, if a benefit recipient, the household's case number. Applicants may also need household financial information to complete the application for homeschool and virtual students.

Parents must apply at <https://www.kypebt.ky.gov/> to determine if their child is eligible for a reimbursement.

Summer P-EBT

Enrollment in Summer P-EBT is automatic for public and private school students who received free/reduced-price meals during May 2023.

SNAP recipients under age 6 (aka Child Care P-EBT), homeschool, and virtual students are not eligible due to the end of the federal Public Health Emergency on May 11, 2023.
