

# We want to hear from you!

## What is the 5E Parent & Family Survey?

This completely anonymous, 20-minute survey is designed to give your principal, teachers, and staff a better understanding of how you feel about your school, the school district, and how connected you feel to your child's learning.

It will help us know where we need to improve communication and engagement with you so that we can all be on the same team to support your child.

Thanks!
