Sessions

1st-2nd grade

Finch 2.0

2nd—5th grade

Forensics

3rd—5th grade

Hummingbird 2.0

Coding

Finch 2.0—Monday

Adventures continue for Finch. Now that you have been introduced to Finch you can learn how to make your Finch be a musician or an artist. Work with your friends to program a robot and create a musical or art show for your Finch to star in. *This is a Finch 2.0 class - must have taken Finch 1.0

Forensics—Tuesday

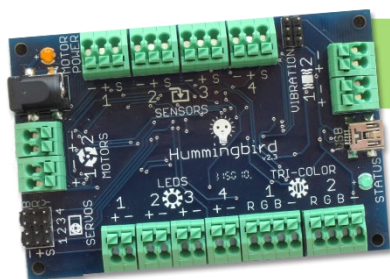

Explore the science of forensics. Learn how to fingerprint, analyze handwriting, spot the difference between real and counterfeit money, collect evidence, and solve a mystery.

Coding (Gr. 3-5)—Tuesday

Learn computer science and create your own art, stories and games using logic and the visual programming language, Blockly. According to Steve Jobs, "...everybody in this country should learn how to program a computer because it teaches you how to think."

**BUILD YOUR OWN
ROBOTS!**

Hummingbird 2.0—Thursday

Increase your skills of programming using Hummingbird components to master new levels of master programming and engineering skills. *This is a 2.0 class - must haven taken 1.0
