

# The Dangers of Vaping

## **VAPING 101: WHAT'S IMPORANT TO KNOW**

An informative and educational discussion, delivered by the State Department for parents, to learn the facts about vaping. The FDA has declared teen vaping and epidemic. This is not something you as a parent would want to miss.

### **Participants will learn**

- What a vape is and how it's used?
- What are the effects of its use?
- What are the legal issues surrounding vaping?
- How is the epidemic affecting schools?

## **Hosted by TSMS PTO**

Please sign up to be a member at [www.tsmspto.org](http://www.tsmspto.org). so, we can continue to host relevant topics, such as these, to our parents.

When: Tuesday, October 2, 2018 at 6:30pm

Where: TSMS Auditorium

2638 Clayton Arnold Road

Thompsons Station, TN 37179
