Continuing with our Unit 5 Multi Genres,

ADV-ELAR students will embark on a multi-genre and subgenre newspaper project, a creative way of allowing students to demonstrate their knowledge that will enable them to enhance their writing skills.

On-level Students will create four movie posters. Each poster will feature a movie from a different subgenre.

The project aims to provide a rich learning experience, enabling students to dive into and analyze multiple genres. This will equip students to understand and identify genre characteristics in literature and writing, a valuable skill for any student.
