Have you filled out your Free & Reduced Meal Application?

Parents and guardians,

We understand that all students received free meals during this school year. This benefit will end before the start of the next school year. With that said, we want to remind you of the importance of applying for the Free & Reduced meal application.

Why should you apply?

The benefits from this application can entitle one to more than a free meal! There are multiple programs and resources within our district that use the data from the Free & Reduced Meal application to assist our students and families, such as:

- School supplies and backpacks
- Field trips
- Graduation resources (cap and gowns)
- State funding for next school year

TRANSPORTATION CHANGES

In order to help dismissal run smoothly, transportation changes **MUST** be communicated to the main office no later than 2:30 p.m. This allows time for these changes to be shared with teachers and students in a timely manner. Please dial (830) 357-4600 for assistance.

BIRTHDAY TREATS

We are excited to celebrate student birthdays again at school this year. Treats must be store-bought and individually wrapped, if possible, or in the original package. All edible items MUST have an FDA approved label with ingredients and allergens legibly listed.

It is best to have all treats delivered to the main office by your child's lunchtime so they can be enjoyed during the afternoon. Please connect with your child's homeroom teacher, in advance, to confirm arrangements.
