Subject: Our Fundraiser Has Begun – We Need Your Support!

Dear PHS Families,

We've officially launched our **Invest in Success Fundraiser & Donation Drive**, and we're off to a great start! This campaign replaces "Voluntary Classroom Fees" requests you may remember from prior years. So far, we've raised only \$27,000 toward our \$60,000 goal based on last year's needs, and every dollar will go directly toward **instructional classroom supply needs** that support your student's learning.

Between September 22 through September 26, we'll be actively spreading the word about this donation campaign. You can expect to hear from us through several communication outlets.

Your support helps us purchase:

- Science experiment supplies
- Novels
- Art materials (paints, canvases, brushes)
- CTE hands-on learning items
- Materials for creative and technical electives
- Any supplemental instructional item needed

For those that have already contributed, thank you so much! For those who haven't, we ask that you please consider doing so. Whether you're able to contribute financially or help spread the word, your involvement makes a real difference. Let's work together to ensure every student has the tools they need to thrive.

Donate here: [GiveBacks](#) (you may also drop by with a check at the front office with a donation to support your child's classroom experience.)

Thank you,

Dr. Katie Hill, PHS Principal
