

## More Information about Rx Savings Solutions:

Rx Savings Solutions offers you several ways to save money through the convenience of your mobile device or through an online portal. It also **automatically alerts you with an email or text if you are paying too much for your prescription**, and finds you other ways to get the same treatment for less money.

With **Rx Savings Solutions**, you can:

- **Locate better prices** for your prescription drugs at pharmacies near you.
- Identify different medications that perform the same as your current or prescribed medication, but with a **lower out-of-pocket price** (which you can review with your clinician or prescriber).
- **Search and compare** prices and other options before being prescribed a new medication.
- Learn **how to speak with your doctor or prescriber** about making any changes to your prescriptions. Or, Rx Savings Solutions can do the work for you – it provides access to **certified pharmacy technicians for personal assistance**.
- Easily see all the ways you can save money on your personal prescriptions, according to YOUR health plan.

**Special Savings Notes:** Be sure your spouse and adult-aged family members on your health plan set up their own accounts. Any minors' prescriptions will appear on your own portal.
