

SCHOOL ZONE SAFETY:

We All Share The Road

Greeley-Evans School District 6

I'm District 6.

With the school year underway, District 6 reminds drivers, parents, students, and community members that school zone safety is **EVERYONE'S RESPONSIBILITY.**

DRIVERS & PARENTS

- Slow down and obey school zone speed limits.
- Follow crossing guard and school staff directions.
- Watch for pedestrians, buses, bikes, e-bikes, and e-scooters.
- Stop for pedestrians in crosswalks and keep crosswalks clear.
- Follow designated pickup/drop-off areas and traffic patterns.
- Avoid distractions and never make unsafe passes or maneuvers.
- Buckle everyone before moving.
- Be patient - saving a few seconds is never worth risking someone's safety.

STUDENTS & PEDESTRIANS

- Use sidewalks and designated crosswalks.
- Follow crossing guard directions.
- Stop, look, and listen before crossing.
- Stay alert and put away phones and earbuds near traffic.
- Go directly to school or your designated bus stop.
- Never enter an unknown or unauthorized vehicle.

BIKES, E-BIKES & E-SCOOTERS

- Always wear a helmet.
- Follow traffic laws and posted signs.
- Walk bikes, e-bikes, and scooters on school grounds and through crosswalks when required.
- Keep two hands on the handlebars and stay aware of your surroundings.
- Yield appropriately and watch for vehicles and pedestrians.

BE ALERT. BE PATIENT. BE COURTEOUS.

School zones are shared spaces. Give others time and space, respect crossing guards and school staff, and look out for one another.

SLOW DOWN. Stay alert. | **FOLLOW THE RULES. Protect our students.** | **SAFETY STARTS WITH ALL OF US.**
