SQUARE MILES

Whether your children
will walk, bike, be driven,
or be bused to school,
expect drop-off and pick-
up to run a little late the
first few weeks of school
as everyone adjusts.

IMPORTANT NOTES:

We will have three morning-only bus shuttles for Y5-4th grade students to cross major streets.

Stops will be close to Lions Park, Dexter Community Park, and one in Dexter Crossing. Precise locations will be listed on our website with all the bus routes.

Creekside and DHS students can ride a shuttle from the Solar Walkway to and from their buildings in the morning and afternoon.

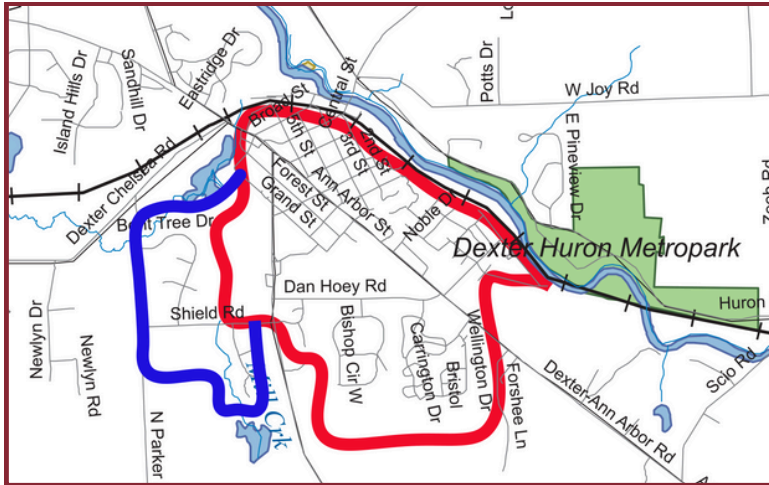

Families who will be driving students should consider the best route for their situation.

Drivers should not attempt to drop off students in places on campus that are not DCS-designated drop-off spots. This is extremely dangerous.

Staff will be on hand to help direct students to appropriate paths and entrances.

We know it takes the whole village to take care of our children and we will all collaborate to ensure smooth transitions.
