The latest news and updates from Bruton High School

CONGRATULATIONS !

Panthers,

Congratulations to all of our BHS Students who chose to participate in the 2020 Reflections Program. Thank you for your thoughtful interpretations of this year's theme "I Matter Because....". We had many beautiful and creative entries for our judges this year. We also appreciate all of you working through the difficulty of adjusting to a virtual Reflections Program this year.

Our First Place Winners have moved on to York County Local Level for judging. We wish all of them the best of luck and will update as the competition progresses.

Our awards ceremony will be in the winter. Time, date, and location TBD. We will reach out when more information becomes available.

CAREER CONNECTIONS

CREDIT FOR WORK

Applications will now be accepted until March 1, 2021.

The program is designed to allow students to earn graduation credit for real-world experience by working at a part-time job. This is a pass/fail course offering students in grades 11 & 12 working at an after school job, with an opportunity to earn additional .5 credit for every 70 hours worked. That is not to exceed a total of 2 credits or 280 hours during their high school experience. Enrollment in this course requires the submission of a completed Credit for Work Experience application:

- Students will not receive credit for hours worked prior to application approval.
- Email Mrs. Warlick for an application.

CAREER EXPLORATION

Schedule a time with me explore careers of interest to you, take a career assessment, or learn more about Work Based Learning experiences available to you.

November's Career Clusters of the Month are Information Technology and Manufacturing. [Click here](#) to learn more about these clusters.

Game on! More information to come.

Senior Class of 2021!

We need you to please look at the School Counseling webpage for information to begin the College Application Process. This information is also on the "Senior" Team page. All this information is very important to read before you apply to colleges.

Go to Bruton High School webpage, and click on ABOUT, and scroll down to School Counseling, then click 12th grade.

Available is the "Senior Newsletter" and a Powerpoint. All the forms needed to help you with the process: "College Application Process, Authorization to Release Student Transcript, Request for Counselor Recommendation, Transcript Request Form and College Application Deadlines".

We need to have your authorization form on file in the counseling office, before we can send any transcripts to any colleges including Common App., Coalition, SENDedu, etc websites. The Common App. requires a letter of recommendation from your counselor, so we need the "Request of Counselor Recommendation- Brag Sheet" filled out and return to your counselor to complete the letter of recommendation. You can make copies of the form to send to teachers or other recommenders who you wish to make recommenders.

Some seniors have already made request through Common App. and we have not received any of this important paperwork.

Remember, you have to notify the counselor and/or teacher prior to putting their name on application portal as a recommender. As a courtesy, please be sure to ask a teacher if they are willing to write a letter of recommendation on your behalf.

Parchment - senior transcripts have been updated with all your senior courses and are being uploaded in Parchment.

Each of you should have received an email from Parchment with your registration information to log in to Parchment.com. If you don't have a copy, contact Mrs. Tutone at 220-4055.

Please take a few minutes to enroll in your parchment account. You will need to have an account to get a copy of your transcript or to send to the colleges. For additional assistance with Parchment, go to: <https://www.you.tude.com/user/Parchment> videos.

Remember to set up a senior conference with your counselor. You can email or contact your counselor on teams. Mrs Reed has students with last name A-K and T-Z. Mrs Frary-Smith has students from L-S. Please turn the forms at least two weeks in advance to your counselors. Be aware of the college deadlines. Thank you from your counselors.

Better Together BHS!

CLASS OF 2022

Important Update to SAT Practice

College Board is no longer supporting the Daily Practice App for the New SAT®. Some of the printed materials you distribute to students still refer to the mobile application. Please use the following recommendations to guide your students to take full advantage of online and paper practice resources.

RECOMMENDATIONS:

1. Students should delete the app and use Official SAT Practice on Khan Academy® at satpractice.org—accessible using a laptop, desktop, or mobile browser. Students who link their College Board and Khan Academy accounts will have access to
 - a. A personalized study plan based on past test results
 - b. Interactive problems and video lessons
 - c. Full-length online practice tests with timing, autoscoring, and essay feedback
2. Students who don't wish to link their accounts can unlock their personalized study plan in Khan Academy in one of two ways:
 - a. Take a full-length practice test online on Khan Academy
 - b. Take mini diagnostic quizzes on Khan Academy
3. Students who prefer to test on paper can find paper practice tests and answer guide and explanations at sat.org/practicetests.

Juniors don't forget to sign up for the College Board Opportunities Scholarship on your College Board account.

New Horizon Career and Technical Education will start their recruiting for the career and technology class for the 2021-2022 school year the week of **December 7th**.
