Highland Families,

Empower Tips and Tricks

Highland's model of competency based learning requires students to show mastery of content and skills standards at a certain level of proficiency before moving on to the next level. With that philosophy in mind, teachers provide regular feedback and opportunities for reteaching, revising, retaking, and resubmitting.

When you expand a class on your child's homepage, you will see a section titled "Work to Resubmit". Students can use teacher feedback to enhance their understanding and improve the quality of their work, resubmitting the work here.

DINE TO DONATE

This Tuesday is Highland's Dine to Donate event at the Tikahtnu Commons Texas Roadhouse. Present [this flyer](#) on Tuesday, November 14th anytime between 4:00-10:00 and 10% of your purchase will go back to Highland! We appreciate your support!

Happy Veteran's Day! We appreciate your service to our community!

We ended our first full week in November with record breaking snowfall and our first day of remote learning. I hope the transition was smooth, and if you have any feedback or ideas, please feel free to email me.

With the snowfall, our parking lot has seen a huge accumulation of snow. There are fewer places to park and turn around. Please give yourself additional time during drop-off and pick-up.

Calling all students who enjoy arts and crafts - Mr. Klauschie needs help with a highly unique project this week in preparation for Friday's Multicultural Fair and Sauce-Off. Monday, Tuesday, and/or Thursday of this week, if you can stay after school for an hour, the project needs you! Please see Mr. Klauschie with any questions.

Keep those cans coming! This month's Advisory challenge will benefit the Thanksgiving Blessing Project, as we are collecting cans of green beans, corn, and cranberry sauce. The deadline for cans will be at the beginning of the school day on **Thursday, November 16th**. The Advisory with the most cans will win a pizza party!

Have a great weekend!

-Ms. Crosby, Principal
