Download the CCSA App

Have instant access to all things CCSA:
- Quickly access things like school calendars, Canvas, forms, and more!
- Make payments and appointments faster than ever with specified portals.

Reminders and notifications:
- Never miss a parent-teacher conference, school event, or urgent update again with reminders and banner messages.
- Join groups and receive notifications when there is news to be shared!

Avoid "information overload":
- Choose which portals interest you and which portals don't. Customize your home screen with the information you want.
- Choose which push notifications you receive by opting in and out of specific community groups.

Community:
- Give feedback and participate in surveys to make our community better
- Get your questions answered with quick access to contact forms and integrated directories
