End of the 1st Quarter

The first quarter ended while we are out of school due to hurricane Ian. While the quarter has ended, the grade book is still open for students to turn in missing assignments. This ends on October 31st. Please have your student speak with the teacher if they are missing assignments.

Hurricane Make-up Days

We have been asked a few times if our calendar will be adjusted due to the hurricane. At this time, there has not been a decision made by Sarasota County Schools. We follow the Sarasota County School calendar, so if they make adjustments, we will follow.

Cheerleading/Basketball Tryouts

On Monday, we will have the first day of cheerleading tryouts. Tuesday is the first day of girls and boys basketball tryouts. Tryouts are after school and go on until 5:00pm.

Cell Phones/AirPods

We see an increase in students using their cell phones during the school day. Per our school policy, cell phones and AirPods should be off and out of sight while the student is on campus. Students caught using their cell phones or AirPods during the school day will have their phones or AirPods confiscated and need to be picked up by a parent/guardian. Cell phones are a distraction on campus, and they are one of the leading ways that students are inappropriately interacting with each other. If you do not have a filter on your child's cell phone, we would highly encourage you to provide this safeguard for your

child. We also ask parents/guardians not to call their children during the school day; please contact the front office if you need to speak with them.

Field Trip Chaperones and Booster Volunteers

For those parents interested in being a chaperone on a field trip or for volunteering at the school you will need to go through the Sarasota County volunteer program. For those parents just wanting to help with the booster club and school events, you need to go through a level 1 volunteer background check. You will need to complete the level 2 volunteer fingerprinting for those wanting to go on field trips. For more information, visit the Sarasota County Community Relations and Volunteer site: <https://www.sarasotacountyschools.net/Page/1369>. When you go through this process, if our school is not available to select as a location, you need to choose the Landings.

Student Tracking Cards

Please take a moment on Fridays for 7th and 8th-grade students and Mondays for 6th-grade students to check your students tracking card folder. Their grades should be recorded, and there should be data for you to review.

Seeking Cafeteria Volunteers

We need volunteers to help us in the cafeteria. We are looking for people willing to help prepare and serve lunch to our outstanding students. It would be great if we could get a volunteer to commit to one day a week, and we can create a schedule for five volunteers. The hours would be 10:30 am-1:00 pm. If you are interested, please contact Lucy White at the front desk. You will need to be level 1 cleared with the Sarasota County District.
