

Dear GUSD Families,

GUSD will continue its partnership with Valencia Labs to offer voluntary COVID testing to GUSD students through Thursday, June 10, 2021.

Our goal is to make testing available and convenient for all students at no cost to the families. No appointment is needed. The testing will be done in an outdoor covered area on your campus. Please check with your administrator or school secretary for the exact testing location at your site.

Parents must submit the registration at: [TESTING REGISTRATION SITE](#) It is important that you register online before students get tested and that you submit the parent email address so that test results are sent to the parents. Please do not submit your student's email address. Parents will only need to register once for each student in order for their student(s) to participate in COVID testing when it is available on their site every two weeks.

Upon arrival at the testing location, an LVN will give the student their testing kit, demonstrate how to self-administer the test, observe to make sure it is done correctly, and retrieve the sample back to be shipped to the lab. Test results will be sent to parents via email within 48 hours.

If you have any questions or need assistance, please contact your child's school office.

May 2021 to June 2021 Voluntary COVID-19 Testing Schedules at GUSD School Sites For Staff and Students
