This week we are going to learn how to solve for area of composite figures 7.9C (finding the area of each shape and then adding them together to get the total area.

Science- Coach Deets, Mrs. Embry & Coach Tillery

justine.deets@communityisd.org; amy.embry@communityisd.org, stacy.tillery@communityisd.org

7th grade science is continuing our unit on genetics. We will be using our knowledge of inherited traits to make baby monsters.

TX History- Mrs. Hulsey, Mrs. Stanton, Coach Goforth

rebecca.hulsey@communityisd.org; leah.stanton@communityisd.org; mark.arzate@communityisd.org

7th Grade Texas History will be continuing their unit on the Civil War by exploring the battles Texas participated in during the War and their impact on the United States. We will begin a choice board assignment for students to show their understanding of the material.

ELAR- Mrs. Falcone & Mrs. Young

lauren.falcone@communityisd.org; lyndsey.young@communityisd.org

Seventh-grade reading will be working in our Persuasion unit. Students will be covering Ethos, Pathos, and Logos. The Q2 quiz grade will be entered along with their at home novel assignment (for advanced classes). The new genre for advanced students is Fantasy and due the week of March 8th.

Writing- Ms. Gordon & Mrs. Young

alicia.gordon@communityisd.org; lyndsey.young@communityisd.org

Q2 Quizzes for Young are in the grade book. If any of my students wish to gain extra credit because they are unsatisfied with their grade, they must come to my tutoring sessions. BTW, these times have been extended because I wish to be more accommodating. Tutoring times: TW and now TH, am and pm.

Congrats to all of my classes for their growth in this last exam.

Grade 7 Writing is still making our way through the persuasive unit and moving into rhetorical fallacies. One more week on this unit before we switch to creative writing.

Please continue your access to Quill.org and keep practicing your grammar. STARR is just around the corner!!!
