THE PANTHER EXPRESS

Issue March 30th to April 5th

Dear Panther Families:

I hope that you are well and are remaining healthy and safe. The 2019-2020 school year has proven to be one of the most challenging years so far; however, we are Panthers! We are courageous and powerful whenever we face a challenging circumstance. I am confident that we will be able to complete this year together and demonstrate our valor and strength. We still have many more memories to make together and much more to learn during this school year, even if it is through social distancing and distance learning. I believe that all of us will find a way to demonstrate our resilience and finish this school year stronger than we have ever been!

For now, Bruton administration, faculty and staff are working to plan and implement the remainder of the school year. Our goal is to keep as much consistency as possible as we work within the parameters of our new guidelines. Our plan is to continue to communicate with students and families each week through this weekly newsletter and other communications. This newsletter will provide a tool to help communicate virtual events, scholarship opportunities and other information that will be important in completing this school year and preparing for the next school year.

With each of you, we can make it through this challenging time. We are a compassionate and tenacious community and we are going to make it! We are Panthers!

P.S. I can't wait to see your spirit pics this week!

With Panther Pride!

Arletha Dockery, Principal

AP INFORMATION

The College Board is offering support for AP students affected by school closures. Beginning March 25th, students and schools will have access to live AP review lessons, delivered by AP teachers from across the country.

These lessons will help prepare students for the new at-home AP Exam option.

While students enrolled in AP courses should have already received an email from the College Board with more information, the live classes and recordings can be found on the AP YouTube channel or through the College Board website.

Information for AP Students Affected by Coronavirus (COVID-19) – AP Students | College Board

<https://apstudents.collegeboard.org/coronavirus-updates...>

Your health and safety are our top priorities. We know the coronavirus has created new and unexpected challenges. Here's how the AP Program is supporting you and your school: We're providing live and on-demand AP courses for free. We're developing a new at-home testing option. Based on the number and length of school closures, it's clear that the usual way AP Exams are given at schools won't be possible.

New Horizons' Career & Technical Education Center

Are You Working? Why not get Credit?

Credit for Work Experience Applications are still being accepted for present work experience.

This is a pass/fail course offering students in grades 11 & 12 working at an after school job, an opportunity to earn additional .5 credit for every 70 hours worked. That is not to exceed a total of 2 credits or 280 hours during their high school experience. Work completed from present to May 15, 2020 will be accepted for this school year. Please see Christal Jett BHS Career Coach for your application!

LITERARY MAGAZINE

Literary Magazine is still accepting any creative submissions for the 2019-2020 edition. Please email any submissions to Mrs. Gist at sgist@ycsd.york.va.us.
