1:10 End of School Year Clap-out

## General Announcements

### Last Week of School Events

Please take a moment to read the schedule as there are a lot of events this week. Be sure to look out for flyers from your students too.

### Yearbooks are here and for sale!

Yearbooks will be going home this week. If you haven't yet purchased one, you can this week until they are sold out.

### Stop the Summer Slide!

Worried about your student falling behind over the summer? We have great resources for all students to use. Information on iReady and Imagine Learning programs will be coming home this week and flyers are attached to the Gazette. Both programs will have links on our website under student links.

### Library News

With less than two weeks to go, please help your student find their library books and return them. If you have lost a book, now is the time to settle the account.

### 5<sup>th</sup> Grade vs. Staff Kickball Game 6/4

All students are invited to attend the game and cheer on their teacher and 5<sup>th</sup> graders. Parents and families are invited as well!

### Summer Reading Challenge

All TK-4<sup>th</sup> grade students received a bag full of five books for them to keep. If your learner reads three of the five books this summer and return the form included in the bag when we return to school, your family will be invited to an ice cream social! The books are for everyone to keep and enjoy.

***i-Ready* is an interactive online learning program that helps students build essential skills in reading and mathematics.**

*i-Ready* starts with an online diagnostic test that students take in class to identify the specific skills each student needs to develop and measure academic growth through the school year. It also provides students with personalized online instruction and gives teachers guidance on how they can best support the needs of each and every student.

*i-Ready* encourages students to take ownership of their learning. Students get real-time feedback, see motivating messages, and earn credits after completing lessons that they can use to get rewards, such as games. *i-Ready*'s engaging environment draws students in right away and gets students of all ages excited about learning.

## How can you help your child get the most out of *i-Ready*?

- **Speak with your child about how using *i-Ready* will help him or her prepare for class work.** Also explain that *i-Ready* will show teachers where your child is doing well and which topics need some more review.
- **Encourage your child to take each lesson and quiz question seriously.** Emphasize “thinking before clicking,” because just clicking through will not give teachers an accurate report of what your child knows and is able to do.
- **Help your child identify and become familiar with the different parts of the student dashboard.**
- **Encourage your child to use the tools that will appear at the bottom of the screen in some lessons.**
- **Discuss your child’s results by looking at “My Progress” together** to see the number of lessons your child has completed in *i-Ready* and the percentage of questions your child answered correctly in the quiz at the end of each lesson.
- **Contact your child’s teacher about how often your child should practice at home,** or with any other questions about *i-Ready*.

To learn more about *i-Ready* or find Frequently Asked Questions, go to:  
[i-ReadyCentral.com/familycenter](http://i-ReadyCentral.com/familycenter).

See the next page to learn how to access *i-Ready*.

# Murrieta Valley Unified School District Summer Reading Olympics

June 8<sup>th</sup> – July 31<sup>st</sup>

School board recognitions October 10, 2019

Dear Parents and Students,

This summer we are encouraging students to continue learning using the Imagine Language & Literacy program starting June 8<sup>th</sup> through July 31<sup>st</sup>. Imagine Language & Literacy is a computer-delivered language and literacy program that automatically creates a unique curriculum for each student based on his or her needs. Students should use the program 20 minutes a day, 100 minutes a week. This may sound like a lot, but don't worry! Your student will love playing on the program and will be learning at the same time. Prizes will be awarded to students with great usage. Have fun! We look forward to a summer of learning!

Sincerely,  
Murrieta Valley Unified School District

### Prizes -

**5 Hours:** Competitor Level – Ice cream sandwich

**10 Hours:** Bronze Level – Recognition of achievement at School Spirit Assembly

**15 Hours:** Silver Level – Certificate of achievement presented at School Spirit Assembly

**20 Hours:** Gold Level – Gold medal presented at School Spirit Assembly

**School Board Recognition Level:** The student with highest total usage above the 100-minute weekly goal between **June 8<sup>th</sup> and July 31<sup>st</sup>** from each school will be recognized at the School Board Meeting on Oct. 10, 2019.

### How to log in

#### For PC and Mac computers:

1 In your internet browser, go to this web address:

[app.imaginelearning.com](http://app.imaginelearning.com)

\*\*Tip: The Chrome browser works best.

2 Enter your **site code:** 0600029

3 Enter your account name and password:

#### For tablets and Chromebooks:

1 Download the Imagine Learning app from your device app store.

2 Launch the Imagine Learning app.

3 Enter your **site code:** 0600029

4 Enter your account name and password:

**Account name:** (firstnamestudentID)

**Password:** (lastname)
