VOLUNTEER OPPORTUNITIES

Interested in Volunteering at a Campus?

We love having volunteers on our campuses. If you would like to help make a difference by volunteering at our campuses, please [click here](#) to start your application and to learn more.

TRANSPORTATION CHANGES

In order to help dismissal run smoothly, transportation changes MUST be communicated to the main office no later than 2:30 p.m. This allows time for these changes to be shared with teachers and students in a timely manner. Please dial (830) 357-4600 for assistance.

BIRTHDAY TREATS

We are excited to celebrate student birthdays again at school this year. Treats must be store-bought and individually wrapped, if possible, or in the original package. All edible items MUST have an FDA approved label with ingredients and allergens legibly listed.

It is best to have all treats delivered to the main office by your child's lunchtime so they can be enjoyed during the afternoon. Please connect with your child's homeroom teacher, in advance, to confirm arrangements.
