

Reminders:

8th Grade is running low on kleenex tissue paper. If you can please have your students bring a box of kleenex that would be appreciated!

This week in class...

Science- Mrs. Brinton

stephanie.brinton@communityisd.org

8th Grade Science is drawing Bohr Models of atoms and discovering the properties of metals, non-metals, and metalloids.

Math- Mrs. Schumann and Ms. Walker

shannon.schumann@communityisd.org ; kristin.walker@communityisd.org

8th Math will be concluding Unit 8 over Pythagorean Theorem and starting Unit 9 over Volume and Surface Area.

Algebra students will continue to work on Unit 7 over Quadratic Equations. Students will learn to identify key features of Quadratic Equations to find its solutions.

U.S History -Mrs. Stanton/Mr. Schmitz/Mrs. Hulsey

leah.stanton@communityisd.org; michael.schmitz@communityisd.org rebecca.hulsey@communityisd.org

8th History- This week we will take the Age of Jackson quiz and then move on to Westward Expansion and Manifest Destiny

ELAR- Mrs. Johnson/Ms. Gordon

re.johnson@communityisd.org alicia.gordon@communityisd.org

Students will inference, conclude the varied structural patterns and text features of literary nonfiction text to support understandings.

Spanish- Mrs. Adzato

otilia.cross@communityisd.org

This week students will be learning how to describe themselves, friends and family members in Spanish.

CCR- Ms. Cannon

jennifer.cannon@communityisd.org

Students are working on an entrepreneur project in the style of the TV show Shark Tank. They are creating a product that they feel will help kids become better students in terms of organization, social skills, a specific school subject, homework completion, or attitude toward school. Next week they will present their idea to a panel of "Sharks" (other teachers or administration from our school).

HAVE A GREAT WEEK BRAVE NATION!!!
