From the Principal's Desk

Hello Rancho Families,

Phase 2 of distance learning kicked off this week. I would like to thank all of our parents and guardians for supporting your child(ren)'s learning at home during this stressful time. Please know that LHISD and I appreciate that many of our families are under incredible stress for financial, emotional and physical reasons. Our goal is to support our families during this time, not add to stress levels. Our teachers continue to impress me with their collaboration, creativity, planning and determination to connect with students. If your child has not been able to participate in a class Zoom session, please reach out to your teacher for the information to log in. Teachers are working to continue to balance student "Must Do" submissions across content areas and add some clarification on the weekly Modules in Learning From Home in order to help you schedule and prioritize your time. Please know that our goal is to support EVERY student with the big learning ideas in the modules, so they can receive a "P" (pass) for the grading period. As this is a brand new experience for all of us, we are certainly having to plan, reflect, adjust and plan again continually. In some cases, there have already been adjustments made as to the amount of content beginning with Module 2 that will be released next Monday. I encourage you to stay the course of online modules so we can continue to minimize any community spread of the virus through possible paper transmission. Please know that your teachers are taking every family scenario into consideration while reviewing student participation in these lessons. We realize that we cannot possibly replace the school experience, but appreciate all you are doing to support learning at home. Our goal is for every child to be successful by showing progress toward skills.

We all miss our students very much. I was deeply saddened to hear Governor Abbott declare today that we will not be returning to campus this school year. More information will be shared soon by Mr. Snell and myself with ongoing information related to the closure.

Stay safe and healthy,
Melanie Bowman

TEACHER &
PARAPROFESSIONAL
of the year

We are proud to announce our RSES Teacher and Paraprofessional for the 2019-20 school year, Courtney Pyle and Jennifer Carpenter!

Mrs. Pyle, Kindergarten Teacher, and Mrs. Carpenter, our campus Nurse, were selected to represent our staff for their dedication to serving students, their commitment to excellence in all they do, and for being a never-ending source of encouragement and support for their peers, our students, and our families. Congratulations to you both. You matter and are loved by us all!

Playing Together While Apart

As we are all practicing social distancing, our community and students are being creative in staying connected. Our LH high school band students may not be marching together, but they are still finding ways to bring music to our community.

COUNSELOR'S CORNER

Humility Character Trait for April

Our theme this week is to look for humility in action! See how many times someone you know does something for others without thinking about their own needs. It's happening all around us!

Teacher Office Hours

All teaching staff have office hours to allow parents/students an opportunity to reach out to teachers on school days. While you are certainly welcome to email your teachers at any time, they will be most available to conference with you or respond to your emails during these times.
