HIGHLAND ACADEMY

School Year
2025

Highland Weekly

Highland Families,

The 2024 school year is officially in the books! We ended the year strong with our annual Multiple Intelligences Tournament, End of Year Assembly, and Field Day. Congratulations to Ms. Lee's Slippery Snakes for taking home the middle school trophy. The combination of Mr. Robinson's Batman and Mr. Rose's Rosebuds proved too strong, and they captured the high school trophy.

The final day of school was spent celebrating the academic accomplishments of our students. These students received certificates of recognition for their effort and achievement in the core content classes. We also recognized a number of students who consistently model our "Culture of Respect for Everyone". These students received Phoenix Feathers along with their certificates. Great work, students!

We ended with a fun filled day at Nunaka Valley Park. From football to cornhole, capture the flag to kickball, it was great to be outside, enjoying one last day with our school community. Check out our social media pages for pictures and video.

Thank you for your continued support this year! We appreciate everyone that volunteered their time, made donations, or gave back to our community in other ways. We couldn't do it without you! It was a wonderful first year as principal, and I look forward to returning next year and continuing to grow our program.

Have a wonderful summer! Looking forward to seeing you in August!

-Ms. Crosby, Principal
