

# 7TH GRADE NEWSLETTER

---

This week in class...

## Math- Miss Whitacre & Mrs. Walker

[taylor.whitacre@communityisd.org](mailto:taylor.whitacre@communityisd.org); [kristin.walker@communityisd.org](mailto:kristin.walker@communityisd.org)

Monday we will review measurement conversions. Tuesday- Friday we will start unit 7 starting out with a hands on lab over circumference and diameter and how they relate to Pi. Then we will do some guided notes together and then end the week by playing a game.

## Science- Coach Deets, Mrs. Embry & Coach Tillery

[justine.deets@communityisd.org](mailto:justine.deets@communityisd.org); [amy.embry@communityisd.org](mailto:amy.embry@communityisd.org), [stacy.tillery@communityisd.org](mailto:stacy.tillery@communityisd.org)

7th grade science is beginning our unit on genetics. We will be talking about inherited traits passed from generation to generation.

## TX History- Mrs. Hulsey, Mrs. Stanton, Coach Goforth

[rebecca.hulsey@communityisd.org](mailto:rebecca.hulsey@communityisd.org); [leah.stanton@communityisd.org](mailto:leah.stanton@communityisd.org); [mark.arzate@communityisd.org](mailto:mark.arzate@communityisd.org)

Texas History will begin their unit on the Civil War. We will build background information about the unit and cover the reasons for secession during this time period.

## ELAR- Mrs. Falcone & Mrs. Young

[lauren.falcone@communityisd.org](mailto:lauren.falcone@communityisd.org); [lyndsey.young@communityisd.org](mailto:lyndsey.young@communityisd.org)

Seventh-grade reading will be starting a new unit over persuasion. We will be covering different argument tactics and learning how to appeal to different areas. Advanced students will be given the genre of "Fantasy" for their new at home reading assignment and it will be due March 9th.

## Writing- Ms. Gordon & Mrs. Young

[alicia.gordon@communityisd.org](mailto:alicia.gordon@communityisd.org); [lyndsey.young@communityisd.org](mailto:lyndsey.young@communityisd.org)

Grade 7 Writing- We are starting to venture through our next unit of persuasive writing and its connection to another type of expository in STAAR preparation. Debates will be taking place in both reading and writing. Finally, we will discuss the aspect of rhetorical fallacies and their implicit meanings with Swift's Modest Proposal.

Note from Mrs. Young. I am very proud of my third-period class in achieving their desired goal of 70%+ on their last Q2 Quiz!!! 75%, WAY TO GO!

Special Parent Note: Due to students being taught how to look up grades on their chromes in TRIBE Time, late and missing work will no longer be accepted the day grades are due for the reports. Thank you.

**HAVE A GREAT WEEK BRAVE  
NATION!!!**
