

## INDEPENDENCE ELEMENTARY SCHOOL - ARRIVAL PLAN

The safety of our students is the number one priority and is dependent upon every parent following these procedures. Please review the map and the notes below.

- Please pull up as far as possible. By doing so we can maximize the number of students getting out of cars at one time. Please do not leave your vehicle unattended.
- There are parking spots on the bottom of the front parking lot if you need to walk your child inside.
- Walkers/bike riders to the south must use the crosswalk at Bray Birch and Twin Creek. The walkers coming from the north of the school will be crossed on the sidewalk at Vienna Apple and Bray Birch. Children will not be allowed to cross traffic or go through the parking lot without adult supervision.
- If you park and walk into the building with your child, we ask that you use the provided crosswalks.

**Thank you for your cooperation and helping each student arrive safely!**
