### Principal's Message

What an incredible start to the school year. Rio Del Oro is approaching 500 students. We are so excited to have all the new additions to our school and community.

Your child and classroom teacher have spent the last two weeks going over routines and procedures to prepare everyone for a wonderful year. We are anticipating a year full of growth for all our students. Thank you in advance for allowing us to partner with you to make this the best year for your child!

### Miss Robin

We wanted to share with everyone an announcement that Robin Harland made over the weekend through Facebook to our community. We sure will miss our Miss Robin!!! We wish her the greatest luck in her new endeavors.

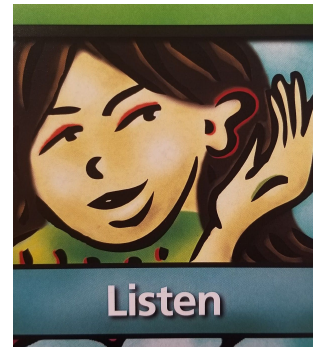

"After 41 years of working and 15 of those at Rio Del Oro I have decided to retire to care for my family. I get very emotional thinking about the families I have been fortunate to be apart of. Being blessed to watch Kindergartners go from 5 year olds to graduating high school. Being apart of families who bring their newborns in to meet 'Miss Robin'. Being Miss Robin has been the best time of my life. You all will be in my heart forever."

### Success Skills

## Drop off/Pick Up

Thank you for being patient and courtesy as we all navigate our new parking lot. Our number 1 concern is our students safety and we appreciate everyone for following our new parking lot procedures to ensure the safety of our students!

Please remember that all drivers must remain in their vehicle in the pick up/drop off lane. Thank you for pulling forward and looping around when waiting for your child so that other vehicles can get through.

## Outstanding Balances

It is our district policy that any student who has an outstanding balance on their lunch account, with the office, or library may not be able to participate in non-academic activities throughout the year.
