# THIS WEEK AT SKYLINE HIGH SCHOOL

## TESTING CENTER

Skyline High now offers a testing center four days per week. The purpose of this center is to provide a time and a place for students to take retakes for their classes. Administrators will run the testing center.

**Where:** Room 1402

**When:** Tuesdays, Wednesdays, and Thursdays from 2:15 - 3:15 pm. **AND** Friday mornings from 7:15 - 8:15 a.m.

### How does it work?

If you need to make up a test, tell your teacher. They will send the administrators a code for a the test (or the paper copy).

You will come to room 1402, Put your phone in a locker, and sign in with the code. The time is then yours to retake a test or two.

You will want to come on time so you don't run out of time. We want you to do great on your retakes.

## A MESSAGE FROM MR. MCDANIEL

We have been in our beautiful new building for nearly five months. At the same time, we continue to enjoy the last piece of the old building (until winter break 2025). And don't forget the small city of rels that will help us get through to summer 2026.

With our new building come opportunities for new traditions and revised usage. For example, we are transitioning to hosting all banquets at Skyline. Where better to be recognized and celebrated than where the academic and athletic successes occurred? While these events may look a little different, they will continue to focus on our amazing students and student athletes.

Coincidentally, this new tradition of celebrating in-house aligns with the loss of federal ESSER monies and our need to ensure that we are even more fiscally responsible. We know that high school is not a free ride. AP and IB tests, athletics, and even class projects all add up. We also want to respect your resources as well.

Alan Watts said, "The only way to make sense out of change is to plunge into it, move with it and join the dance."

## Holiday Fun

Looking for a fun, family friendly time as we head to winter break? Look no further than Skyline High School. Here are some of ways to spend a few nights, sandwiched in between a home cooked meal and some hot chocolate.

- Dance Concert (tonight at 6:30 p.m.)
- Winter Formal Dance on December 14 at 8:00 p.m. (This one is student friendly, not for the whole family. That would be weird.)
- Winter Music Concert on December 16 at 6:30 p.m.
- Boys and Girls Basketball Games
- Wrestling Meets
- Cheer Competition

Isn't it great to be an Eagle?
