Guest Speaker: Bryn Horton, Secondary Boundary and Bell Task Force Presentation

Yearbook

Caitlin Schmidt and Sara Zallar presented on the status of the yearbook. Per District guidance, the yearbook will be produced by Lifetouch this year. Caitlin and Sara will be sending out an 'ask' for families to submit photos in the coming weeks with the guidelines for submission ([linked here](#)). The deadline for photo submissions will be Friday, March 19th. Some photos will also be taken at school to showcase what's happening in-person as well as virtually. Coordinators will reach out to individual families who have not submitted photos as the deadline approaches.

Family Fun Night!

We are hosting our first virtual trivia night on Thursday, February 25. Everyone can join us on Zoom and Cahoot. Jersey Mike's will be doing a share night as a fundraiser for Eastside. We will be getting 25% of the sales for everyone who mentions ESCO (or on the app or online.)

A few items of note

- Our engagement survey is still available and we could use more responses.
- We are signed up on Amazon Smile for fundraising.

Joanna motioned to approve the December minutes and Tara Weaver seconded the motion. Minutes are unanimously approved.

Open Floor

There was some discussion regarding how virtual learning is going. A parent inquired about the Site-Based Diversity Council and whether or not it was still happening. Mr. C discussed that they met in August but there hasn't been any recent activity due to low interest.
