FROM THE YEARBOOK STAFF

Dear Students and Parents:

While so many elements of the end of this school year have changed, Hickman Journalism would like to reach out and let you know that the 2020 yearbook is complete and off to the publishers! The yearbook students worked incredibly hard throughout the year, and put in extra hours after school closed to make sure we could bring you as much spring content as we could, as well as some special pages that cover how Covid 19 impacted the Hickman community and our nation. at work finishing the yearbook. This is one book you do not want to miss.

Most years, we sell many yearbooks through the end of the year and at the time of distribution. This year, we are unsure how many extra yearbooks we will have, so if you would like to order a yearbook we would like you to order it through the Walsworth website YearbookForever.com. The Hickman yearbook web store specifically can be found at:

https://yearbookforever.com/schools/david_h_hickman_high_school_buy_yearbook_3890/155085

If you are not sure if you have already ordered a yearbook, please first look back through your own accounting and paperwork. If you are still not sure, then do not hesitate to contact yearbook teacher Kathleen Johnson at KatJohnson@cpsk12.org. We also understand that in these times you may feel the need to reconsider your discretionary spending. If you are concerned about your ability to purchase a yearbook, please be sure to contact either our yearbook teacher or your child's counselor.

Due to production needs, this year's yearbook is not scheduled to arrive until June. Given our current social distancing measures, we agreed to give them extra time to print/finalize the books. We are uncertain about how we will distribute, but we will definitely figure out a way and we let you know as soon as we can.

Meanwhile, please continue to take care of yourselves.

All our best, Hickman 2020 Yearbook Staff
