

FREEHOLD HIGH SCHOOL PTSO 2020-2021

Dear Students, Families, and Faculty,

Hello from your Freehold High School PTSO! We hope you had a great summer and we would like to welcome you to the 2020-2021 school year! We are so excited to get this new year underway.

Though this school year will not look the same as past years, the PTSO is trying to do what we can to support the students. We have many exciting initiatives, activities, and events planned and will proceed with those plans as we are able to under the direction of Gov. Murphy. As always, we have school spirit wear for sale, a clothing drive fundraiser and a food drive planned for the near future. Our mission is to make every year a memorable time and offer support for Students, Parents, and Teachers and we will adapt and change along with the regulations set forth by the State. We are going to do our best to support our students and faculty and ask for your patience and understanding.

We are urgently in need of creative and committed parents to help coordinate fundraising activities this year. Your support is critical to the success of our efforts in giving our students and teachers something to remember. You can help in many ways:
