January 10, 2024

Dear Families of the Class of 2028,

Please join us for DiscoverEAST, our annual program for prospective 8th grade students. Cherry Hill East has a wonderful tradition of excellence, consistently ranking academically among the top high schools in South Jersey. Our student life programs give students an enriching and dynamic high school experience that will help them make lasting memories. It is our hope that you decide to make East their “home away from home” for the next 4 years.

Our program is designed to provide families an opportunity to learn more about the academics, culture and programs of East as well as give families and, more importantly, prospective students a sense of comfort about their high school decision.

On **Thursday, February 1st starting at 7:00 PM**, you will have an opportunity to tour the building and meet some of our staff, ask questions, and learn about East’s championship and award-winning programs.

Highlights of this night will include:

- A presentation on what it means to be an East student, our building culture, and the high school experience.
- Meet with teachers of our core academic offerings (English, Math, Science, Social Studies, World Language, Special Education, Health/PE).
- Opportunities to explore our various elective programs (Fine Arts, Business, Vocal and Instrumental Music, Drama, and Career/Technical Education)
- Meet and talk with coaches from East’s athletic programs
- Explore our student run clubs
- Workshops from our guidance department on course selection, “4-year perspective,” and follow up questions from course of study nights
- A parent panel, “Transitioning to High School, We were in your shoes” for advice and insight
- Building tours

We hope you enjoy DiscoverEAST and wish you all the best in making your high school decision.

Sincerely yours,

Dr. Dennis Perry
Principal; Cherry Hill H.S. East
