Show your holiday spirit December 5-9

Holiday Spirit Week

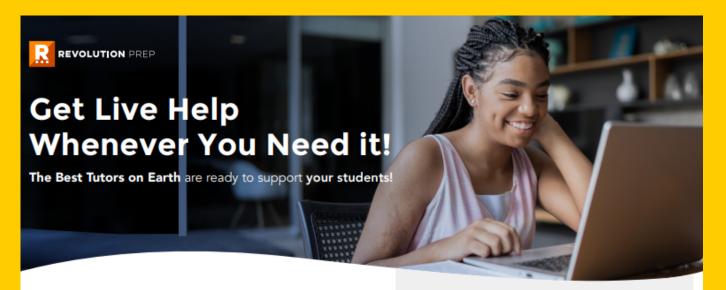

In September, the Attorney General's office announced the launch of the mobile app "Kansas--A friend AsKS", as a new tool with the goal of preventing youth suicide.

Need Tutoring Help?

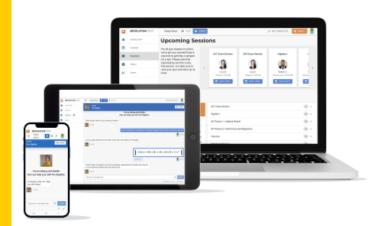

Revolution Now

Don't get stuck on another assigment problem again! get your child the help they need it.

On average, students sit down to begin their homework between 5:45-7:30 pm, and **91% of students find themselves feeling stuck**. and needing help. When teachers aren't available, and parents/guardians aren't able to provide support, where do they turn to for help?

Revolution Now gives your students access to full time professional tutor support 7 days a week. With over 60 academic subjects, they'll always have access to someone who can help.

Join a Revolution Now session from any device!

Our tutors are available via live chat 24/7 or video call.
