

# HIGH SCHOOL SUMMER SCHOOL 2021

## IN PERSON LEARNING

We are proud to again partner with Learn 4 Life/Vista Real Charter School to offer Simi Valley families a robust summer school program. Students will have the opportunity to work with their own local teachers on courses from the SVUSD course catalog. Whether for credit recovery or as a “go-ahead,” students will have the chance to take two semesters of coursework alongside their peers in a familiar and supportive environment.

### Why choose Simi Valley Summer School?

Students can take advantage of the fact that every course offered at Summer School will meet the same requirements as the courses they take during the regular year. All core courses offered meet the same “A through G” UC/CSU guidelines to prepare students for college and career. Courses use the same materials and are based on the same course outlines as those taught throughout the regular school year. Summer School is intended to give students an educational experience that will better prepare them for their fall semester return to high school.

### COURSE REQUESTS & PRELIMINARY **REGISTRATION OPEN**

Now through May 28

Sign up TODAY to get the courses you need!  
Our Summer School’s master schedule will be custom-crafted to meet the demands of students, so tell us what to offer. Complete the Summer School Course Request Form by following the link.
