

# MIDDLE SCHOOL SUMMER SCHOOL 2021

## at Santa Susana High School

We are proud to partner with Learn 4 Life/Vista Real Charter School to offer Simi Valley families a robust summer school program. Hosted this year at Santa Susana High School, the summer school program gives students an opportunity to work with their local teachers on courses in the SVUSD course catalog. Students will have the chance to take two semesters of coursework alongside their peers in a familiar and supportive environment.

### Why choose Simi Valley Summer School?

Courses use the same materials and are based on the course outlines taught throughout the regular school year. Summer School is intended to give students an educational experience that will better prepare them for their fall semester return to middle school.
