

BEE NEWS

Park View Spelling Bee

Our school's 4th through 6th grade Spelling Bee will be held on Friday, March, 13th at 1:45. A third grade bee will be held on Friday, April 3rd at 9 am. Prior to the school bees, teachers will conduct their own class spelling bees. The top two spellers from each class will compete in the school bee. The list of words will be available the second week of February.

Dates to Remember

- Mar 9–13 Book Fair
- Mar 10– New After-school Clubs Begin

School Cell Phone Policy

Students are not to use their cell phones during the school hours. They can put them in their backpacks during the day. If they need to call home, they are asked to come to the office to call. Please contact Mrs. Walker if you have any questions.

5th Grade Keyboarding Qualifiers

Congratulations to the following students who qualified for the District Keyboarding Competition on April 15.

| Brooklyn Shirley | Malia Cook |
| EliAnna Tapia | Shayla Parker |
| Malia Mobbs | Brogan Miller |

Park View Science Fair

Park View's Science Fair was held on Friday, January 31, 2019. Students from the 5th and 6th grades participated. We had the following students move on to district: Tavin Bussio, Evelyn Loor, Kaizlee Gull, Sydni Stevenson, Malia Cook, Dakota Taylor, Emalee Burraston, Aimee Wilkinson, Raegan Sevy, Malia Mobbs, Haley Bott, James Higginson, Piper Johanson, Molly Smith, Coleman Cunningham, Paisley Mormann, Addilyn Hiatt. Thanks to the volunteers who helped judge the science projects.

The Student Leaders will be selling Heart-Grams

Friday, February 7th through Wednesday, February 12th. Heart-Grams cost 25 cents each. That pays for a card and a small piece of candy, which will be delivered to the students' classrooms by student council members.

Heart-Grams will be sold before school and at lunch-time. Parents are welcome to come in during the day to purchase Heart-Grams in the office.

Please help your children dress appropriately for the weather. When it is 20 degrees or above, students are expected to go outside for recess. Please write your children's names in their coats and jackets—this really helps with lost clothing. Please check the lost and found in the lunchroom for any lost coats and gloves. Thank you!

Learner Quality– Collaborate

I learn from others by working together.

Kindness Quality– Forgive

I can stop feeling angry or resentful toward someone for making a mistake or hurting my feelings.
