

SEAHAWK TALK

WEEK OF SEPTEMBER 19 - 23, 2022

A WORD FROM MRS. HAMILTON

Safety is always important here at MBE. We have many protocols in place to ensure your child's safety. One of the wonderful options we have here is Officer Copeland. He is our SRO, School Resource Officer.

Officer Copeland is an active member of our Seahawk FAMILY. He is a Myrtle Beach Police Officer who spends his time with us! He is in the hallways, working with children on academics, mentoring children, takes time to throw the football, and is just an all around great Seahawk. Your child has probably seen him in their classroom, had lunch with him, or just gave him a fist bump in the hallway. You might see him at some of the sports activities because he is dedicated to our Seahawk FAMILY!

You may have noticed the guard shack out front is now being manned. This is to help monitor who is coming to MBE and MBH. Our schools work closely together to make sure every child is safe.

OUR WEEK!

WEEK AT A GLANCE

- We conducted our monthly fire drill last week.

- Teachers had professional development regarding math instruction and providing opportunities for the students to discuss their thinking in math. You can support this skill by asking your children to tell you more about anything you are talking about. Have your children elaborate when they give you an opinion on something. Ask them why they feel the way they do.

- PTO fundraiser ends on Friday ... we are looking to buy a book vending machine with our profits. This will be an incentive opportunity for our students. They can earn tokens and choose a book of their choice.

CAFETERIA NEWS

Meals, foods, and beverages sold or served at schools, meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods, and beverages are prepared and served by qualified child nutrition professionals. We provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students.

October 28th - Report Cards emailed home

REMINDERS

- Charleston Wrap Fundraiser ends September 22nd.
- If you need to change your child's transportation home, you must send a note in with your child.

COUNSELING CONNECTION

Counseling Small Groups

Small groups are a great way to connect with others and learn new skills. The response to our small group counseling options have been amazing! We have received a lot of interest, and they will be starting soon. Groups begin all throughout the year, so it's okay if your child isn't in a group just yet. We will do as many groups as we can. We are still accepting permission slips for groups later in the year.

Do You Want to Volunteer at MBE?

If you want to volunteer or chaperone a field trip, get approved! Click [HERE](#) for the online volunteer application.

Lifeskill Leaders

Check our Curiosity Lifeskill Leaders below. They were quite inquisitive during our celebration! Next week, we will learn about the lifeskill of **Problem Solving: Look for answers and pick the best one**. We will celebrate our new leaders on Friday.

PTO PORTAL

Please support the PTO's biggest fundraiser of the year: **CHARLESTON WRAPS**

Your student brought home a packet last Friday and an email has been sent with directions for ordering and sharing the information with family and friends. We depend on your support and the success of this fundraiser helps support events and incentives throughout the year.

This sale is online only. Sale ends September 23rd.

The top selling class for each grade will get a pizza party.

The top 10 overall sellers for the school will be invited to attend a special lunch at a restaurant and will arrive in style in a limousine.

Next PTO Meeting will be Friday October 14th.

PTO Meetings are the 2nd Friday of the month at 8:30, in the cafeteria. We'd love to have you join us. Please join the MB Elementary PTO Remind App for news and announcements.

Raising Tech Savvy and Safe Ki...

docs.google.com

Hello, I am Mrs. Dowling, one of the counselors here at MBE. Today we are talking about how we can raise tech savvy students. We will talk about a healthy amount of screen time and how to stay safe when we are online.
