

HICKMAN ANNOUNCEMENTS

FRIDAY, APRIL 17, 2020

Hickman faculty and staff really miss our Kewpies and their families and we hope you are doing well.

WORDS CAN GO WHERE ARMS AND HUGS AND HEARTS CAN'T!

Here are some fun daily quarantine questions you can ask yourself:

1. What am I grateful for today?
2. Who am I checking in on and interacting with today?
3. What beauty or art am I creating or appreciating today?
4. How am I moving my body today for exercise?
5. Have I been outside in nature yet today?
6. What expectations of normal am I letting go of today, and what am I doing instead?

CONGRATULATIONS!

Jason Stephen

He is a 2020 Scholastic Art & Writing Awards National Medalists!

Zombie Defense League Members: Please join the ZDL Schoology Group. We are trying to organize some virtual ZDL meetings. We also need to talk about officer elections for next year.

And the people stayed home, and read books, and listened, and rested, and exercised, and made art, and played games, and learned new ways of being, and were still. And listened more deeply. Some meditated, some prayed, some danced. Some met their shadows. And people began to think differently.

And people healed. And, in the absence of people living in ignorant dangerous, mindless, and heartless ways, the earth began to heal.

And when the danger passed, and the people joined together again, they grieved their losses, and made new choices, and dreamed new images, and created new ways to live and heal the earth fully, as they had been healed. ---Kitty O'Meara
