

Rough Rider Review

Information from Roosevelt High School

Wednesday, February 6, 2019

Greetings Rough Rider community,

January was a busy and productive month for the Rough Riders. To name just a few highlights...The Hairspray musical was fantastic with over 80 students participating and sharing their amazing talents with a packed house for each show. Our basketball teams have competed well and held their own in district play. JROTC won at the 5th battalion competition and our students continue to serve in the community week in and week out. Our College and Career Center had a very successful On-the-Spot Admissions day on Jan. 17, where our students earned a combined total of \$1,666,000 in just one day! Out of the 54 students that participated, 46 were automatically admitted to one or more university. We are so proud of all of our students.

This month, our students will be meeting with counselors and selecting their appropriate courses for next year. On February 12, our college advisors will be hosting seniors for an after school event, "Let's Taco Bout Scholarships Workshop" where they will be discussing how to apply for scholarships and eating tacos. Seniors should RSVP with our college and career center advisors for this event. We will have an early release day on Friday, February 15 with school letting out at 2:15pm and then Monday, February 18 will be a student holiday. One event we invite all of our students and families to attend is our College and Career Fair to be held on Wednesday, Feb. 27 in the cafeteria. This is a great opportunity to learn about future options as well as find immediate job opportunities.

The Federal Report Cards for the State, the District and the Campus are now available. Here is a letter with [Federal Report Card Info](#) Please take time to review this information for yourself and see how well we are doing to reach the federal standards. Thank you for continuing to support our Riders every day.

Check out our Roosevelt HS Campus Website for an update of calendar events and other important information.
