The Principal's Desk

Dear Trailblazer Family,

Hello Everyone, I can not say it enough - I MISS SEEING ALL OF YOU!

Usually doing this time we are extremely busy due to National History Day, Technology Fair, Senior Night, Graduation Supply Distribution, and the list goes on. Now, we have eLearning and lots of time on our hands to catch up on home projects, to read books, watch movies, or whatever our choice is. I would also recommend exercise. Exercise is good for the physical body, but equally as good for our mental state.

I am so proud of our students and the successes they continue to make. Administrators and teachers recognize the important contribution parents/guardians make toward a child's success in school. We also realize that it takes a partnership between the school and parents for our students to excel. My staff and I are dedicated to ensuring your child gets the best educational experience. I hope you will renew your commitment along with us. If we can ever be of assistance with any aspect of your child's education, please do not hesitate to contact us.

Parents and Students, please know we are here for you. During the Spring Break time (April 10 - April 17), if you are unsure of any assignment or need additional information, please reach out to me either via email or by Google text (843) 508-3236.

As always, if I can be of assistance, please contact me.

Sincerely,

Ms. Fleming, ECHS Principal

(843) 349-3131 or kfleming@horrycountyschools.net

March/April Students of the Month

2020 March Student of the Month @ ECHS

"Keep Moving Forward!"

What has been your favorite moment at ECHS so far?
If I had to choose, probably the winter formal.

When you get discouraged, what keeps you moving forward?

If I stop working hard, then I have to stop being prideful.

What are your post-high school plans?

Go to college.

What are your favorite clubs or community service opportunities?

Campus cleanups because it's the easiest way to get service hours.

"Keep Moving Forward!"

What has been your favorite moment at ECHS?

Probably the Poetry Slam. I had a lot of fun writing my individual poem and group poem; I was very surprised how comfortable I was when I performed. I also have so much fun in Biology because Mrs. Farmer makes learning fun.

When you get discouraged, what keeps you moving forward?

Knowing that dropping out or failing is not an option for me. I really like this school and the opportunities it provides for me are too valuable for me to give up. Also, my mom wants me to get rich so I can buy her a house on the beach.

What are your post-high school plans?

I would like to go to the Savannah College of Art and Design, but CCU is fine. If I get into SCAD, I would like to become an animator. I would like to work for Pixar or Disney.

What is your favorite club?

My favorite club is Yearbook and my favorite community service opportunities are helping out at Kind Keepers and Baby Animal Day. Kind Keepers is a no-kill animal shelter in North Myrtle and I love being around dogs and cats.

What has been your favorite moment at ECHS so far?
My favorite moment at ECHS so far is the freedom of having college classes.

When you get discouraged, what keeps you moving forward?

What keeps me moving forward are my parents. They encourage me to always do my best and to never give up on my dreams.

What are your post-high school plans?

After high school, I plan to go to medical school to become a Nurse Practitioner in Pediatric Oncology.

What are your favorite clubs or community service opportunities?

My favorite club is Disciples. It is a safe place and everyone is welcome and you can feel that those people care about you.

What has been your favorite moment at ECHS so far?
My favorite moments at ECHS are the ones where I have been an ambassador. I have enjoyed all my times being an ambassador from bridge week to open house. I enjoy spending time with my peers while being a role model.

When you get discouraged, what keeps you moving forward?

When I get discouraged, I tend to look back at all the hard work I have already done and know that I cannot give up now. I also know that as long as I do my best, there is no reason to be discouraged.

What are your post-high school plans?

I plan to go to USC to pursue a career in pharmacy. It will take 5 years, but I am prepared to do what is required.

What are your favorite clubs or community service opportunities?

Besides being an ambassador, I enjoy the recycling club! It is fun to clean up and recycle with everyone.

These students exhibit critical thinking, communication, and personal & social responsibility skills that make a strong Trailblazer. Congratulations!
