

Exam Exemption Application Process

Sign into your Skyward Student Access account and select "Exam Exemption" from the globe menu.

The application home page will tell you how many days until the application process begins and closes. **After the window closes you will not be able to enter requests even if you are currently in the web app.**

When the application window is open click on "My Requests" to make your selections.

My Requests Page

Ineligible classes will not have a checkbox and will have one or more codes under "Disqualifier" explaining why the class is ineligible. Codes are defined in the legend at the bottom of the page.

Making selections is easy. Eligible classes will have a checkbox on the far left. Click the checkboxes to select your classes.

Attendance requirements for the 2020-2021 school year are waived.
