THE CAPABLES

DIFFERENT IS SUPER

BEST BOOKS OF 2021
INDIE

Rae is like many five year olds with one BIG exception: she has a super-secret superpower. Unlike her limb difference, which is visible for all to see, her superpower is something she has never shown anyone before. But it's her first day of school and her classmates are in need. Will she keep her power to herself...or use it to help her new friends?

THE CAPABLES are a group of super-capable kid superheroes all of whom have a super capability or "cape." Each Capables' superpower is activated through empowerment.

Created by television producer Danny Jordan—the dad of a child with an upper limb difference—THE CAPABLES is an award-winning, entertaining, educational, and engaging children's book series, with a focus on inclusion of disability.
